

Bosvarkunie GEDRAGSKODE

Bosvark Union CODE of CONDUCT

Die **Bosvarkunie** hou **WG waardes** bo
dit is die kreet waarin ons glo
And so in all the Union shows
to learners, teachers, parents, those
who bind themselves to this great place,
we presume a level of social grace.

‘n Stemmetjie wat sê: “Nee man, nee,
mens kán mos nie so vreeslik skree
langs ons mooie, groene rugbyveld?
Kwaad word nie met kwaad vergeld.
Dit wys ‘n tekort aan **RESPEK**
en selfagting ly ook gebrek.

And if, after a lekker Bosvark greet,
you leave trampling on unsure feet
from too many a glass of revelry
please ask that someone take your key
since that would be the **RESPONSIBLE** way
to ensure we see our families the next day.

Nog ‘n waarde wat ons moet leef,
al voel die wêreld krom en skeef,
is om te **VOLHARD** in als mooi en goed.
Dís wat ons van struikel behoed.
So kom werk lekker saam met ons
en maak WG ‘n skool om oor te gons.

We try to be a union that cares
and with your help we’ll soon be there.
As ons in opregtheid mekaar se laste dra,
is dit gou-gou klaarpraat met die gekla.
Gee nooit op op **OMGEE** nie,
saam sal ons ons Bosvark-gemeenskap dien.

Lastly, then, but not the least
we should always practice what we preach,
INTEGRITY is what we ask –
to be honest and honourable to the very last.
In this way we’ll be a Bosvark community
a place of value-driven unity.
