ONS VERWAG DIE VOLGENDE VAN ONS LEERDERS:	WE EXPECT THE FOLLOWING FROM OUR LEARNERS:	
<p>1. AKADEMIESE TOEWYDING Ons verwag dat al ons leerders akademies toegewyd sal wees. Dit sluit in stiptelikheid en volledigheid van huiswerk en take, en om trots te wees op deeglikheid en netheid van voorgelede werk.</p> <p>2. AKTIEWE DEELNAME Ons verwag dat elke leerder aan minstens een winter- en een somersport sal deelneem, en die kultuurprogram aktief sal ondersteun.</p> <p>3. OPBOUENDE EN HOFLIKE GEDRAG Respek, goeie maniere, selfdisipline en selfbeheersing, is vir ons besonder belangrik. Ons glo "Die smarte van dissipline is kleiner as die smarte van mislukking". Die leerder moet ook bydra tot 'n skoon skoolomgewing in terme van normale goeie sindelikheid, persoonlike voorkoms en die skoonmaak van terrein en klasse. Die dra van die korrekte, voorgeskrewe skooldrag is ononderhandelbaar. 'n Klerebank is by die skool beskikbaar, maar beskikbaarheid van klere daar kan nie gewaarborg word nie. De Jagers is ons amptelike verskaffer.</p> <p>Daar sal baie streng opgetree word teen leerders wat (i) met disrespek van enige aard optree; (ii) enige ander persoon dreig of beseer of aanraak; (iii) dwelms hanteer; (iv) by bende-bedrywighede betrokke raak; (v) diefstal pleeg; (vi) klasse ontwrig deur swak gedrag en/of swak werksetiek.</p> <p>4. TAALVAARDIGHEID IN BEIDE AFRIKAANS EN ENGLS U het reeds in die aansoekvorm kennis geneem dat Afrikaans en Engels ons skool se amptelike tale is, en dat alle leerders dié twee tale as vak moet neem. Leerders wat genoemde tale nie verstaan en kan praat nie, sal sekerlik probleme op akademiese vlak ervaar. Omdat ons ongelukkig nie die personeel het om leerders enige van die tale opnuut te leer nie, móét die leerder dus reeds met beide tale op die verwagte vlak vir daardie graad wees.</p> <p>5. NAKOMING VAN ALLE SKOOLREÛLS EN GEDRAGSKODE Elke leerder is verantwoordelik om hom/haar te vergewis van alle skoolreëls en die gedragskode. By aansoek het u reeds verklaar dat die leerder sowel as die ouers bogenoemde aanvaar en sal gehoorsaam. Volgens die SA Skolewet is ouers primêr verantwoordelik vir hul kinders se gedrag.</p>	<p>1. ACADEMIC DEDICATION We expect of all our learners to be academically dedicated. This includes punctuality, completeness of homework and assignments, and being proud of thoroughness and neatness of submitted work.</p> <p>2. ACTIVE PARTICIPATION We expect each learner to take part in at least one winter and one summer sport and to support the cultural programme actively.</p> <p>3. CONSTRUCTIVE AND COURTEOUS CONDUCT Respect, good manners, self-discipline and self-control are very important to us. We firmly believe that it is better to live with the pains of discipline than to suffer the sorrows of failure. The learner must also contribute to a clean school environment in terms of both normal cleanliness and personal appearance. Wearing the correct, prescribed school uniform is compulsory and not negotiable. A clothes bank is available at the school but availability of clothes cannot be guaranteed. De Jagers is our official supplier.</p> <p>Strict action will be taken against learners who (i) act disrespectfully in any way; (ii) threaten, injure or touch any other person; (iii) handle drugs; (iv) become involved in gang-related activities; (v) steal; (vi) disrupt classes through bad behaviour or negative work ethics.</p> <p>4. LANGUAGE PROFICIENCY IN BOTH AFRIKAANS AND ENGLISH You will have noted on the application form that Afrikaans and English are this school's official languages, and that all learners must take both languages as school subjects. Learners who do not understand these languages and cannot speak them will certainly experience problems on an academic level. Unfortunately we do not have the staff to teach learners any of the languages from scratch. The learner must, therefore, already be on the required level in both languages.</p> <p>5. ALL SCHOOL RULES AND CODE OF CONDUCT All learners are responsible to ensure that they are aware of all school rules and the code of conduct. When you apply, you already declare that the learner and parents accept and will obey the above-mentioned. According to SA School's Regulations, parents are primarily responsible for their child's behaviour.</p>	
ONS VERWAG DIE VOLGENDE VAN ONS OUDERS:	WE EXPECT THE FOLLOWING OF OUR PARENTS:	
<p>1. BETROKKEHEID BY SKOOLAKTIWITEITE</p> <p>1.1 U ondersteuning van die skool deur deelname aan ouer-organisasies, bywoning van sport- en kultuurdae asook oueraande, is vir ons van onskatbare waarde.</p> <p>1.2 Die nuwelinge-ontvangs vind vanaf 16:30 die dag voordat die skool begin, in die skoolsaal plaas. Dit is van groot belang dat u saam met u kind hierdie inligtingsbyeenkoms bywoon.</p> <p>2. ONDERSTEUNING VAN DIE SKOOL SE REMEDIËRINGS-PROGRAMME</p> <p>Ten opsigte van elke leerder is dit die skool se einddoel om 'n goedtoegeruste, gebalanseerde landsburger met gevorderde interpersoonlike en sosiale vaardighede op te lei. Om dit suksesvol deur te voer, word ondersteuning van veral die volgende gevra:</p> <p>2.1 Die skool se uitgebreide dissiplinêre stelsel maak voorsiening vir die aantekening van besonderhede oor negatiewe gedrag en swak werkverrigting. U ondersteuning van voortvloeiende korrektiewe strafmaatreëls (wat skoolgemeenskapsdiens insluit) word verwag. U is welkom om die prinsipaal enige tyd tydens skoolure te skakel vir besonderhede oor u kind se optrede. U kind is in besit van 'n persoonlike lêer (Bloulêer). Onderteken asseblief minstens wekeliks die lêer.</p>	<p>1. INVOLVEMENT IN SCHOOL ACTIVITIES</p> <p>1.1 Your support of the school through participation in parent organizations, attendance of sport and cultural activities as well as parent evenings throughout the year, is of inestimable value to us.</p> <p>1.2 The newcomer reception will take place in the school hall at 16:30 on the afternoon before school starts. It is of great importance that you attend this meeting with your child.</p> <p>2. SUPPORT OF THE SCHOOL'S REMEDIAL PROGRAMMES</p> <p>It is our goal to help each learner to become well-equipped, balanced citizens with advanced interpersonal and social skills. To enable us to do this successfully, support of the following is requested:</p> <p>2.1 The school's comprehensive disciplinary system makes provision for the detailed recording of negative conduct and unacceptable class work. Your support of resultant correctional punitive measures (that include school community service) is expected. You are welcome to phone the principal at any time during school hours for particulars about your child's conduct. Your child is in possession of a personal file (Blue file). Please sign at least once a week.</p>

2.2 Graadseniorkap kan deur enige leerder wat beskaafd optree en toegewyd betrokke is by die skool se wye verskeidenheid sport-, kultuur- en akademiese aktiwiteite, as erkenning vir positiewe gedrag verwerf word. Dit hou besondere voorregte vir die leerder in. As ouer/voog kan u u kind hiermee help.

2.3 Alle nuwe graadagt-leerders kan te enige tyd aan eenvoudige metingsinstrumente in Wiskunde, Wetenskap, Engels en Afrikaans onderwerp word met die oog op vroeë identifisering van agterstande wat mag bestaan. Dit mag daartoe lei dat sommige leerders aanvanklik in 'n oorbruggingsklas spesiale aandag/hulp moet kry om met groter selfvertroue en vaardighede toegerus te word. Neem asseblief ook kennis dat die skool die reg voorbehou om enige tyd van die jaar (geldend vir alle grade) nuwe klas-/vakindelings te maak om gebrek aan akademiese vordering aan te spreek. Enige moontlike veranderinge sal altyd ten doel hê om, volgens die opvoeders se oordeel, leerders te bevoordeel en aan almal die beste geleentheid te gee. U ondersteuning word ook in hierdie opsig gevra. Sou u daarteen gekant wees dat ons u kind op hierdie maniere dalk moet help, moet u asseblief dadelik u skriftelike beswaar by die prinsipaal indien. Alhoewel u reeds die gedragskode, wat meld dat u klasindelings sal aanvaar, skriftelik aanvaar het, sal die leierspan u beswaar sorgvuldig oorweeg, maar u moet in gedagte hou dat u kind se moontlike agterstande nadelig op vordering kan bly inwerk. Ons wil graag aan almal besondere geleentheid bied om hulle potensiaal te verwesenlik.

2.4 Neem asseblief vroeë kennis dat gedrag, werketiek en veral akademiese prestasies en vakkeuse, 'n rol speel in klasindelings by grade nege tot twaalf. Leerders moet dus te alle tye hul beste lewer.

3. BETALING VAN SKOOLGELD

Skooldgeld is 'n statutêre verpligting en word gehef in terme van Seksie 40 van die Skolewet. Skooldgeld word jaarliks tydens die begrotingsvergadering vasgestel. Dit is u verantwoordelikheid om u te vergewis van alle finansiële verpligtinge.

Skooldgeld is jaarliks vooruitbetaalbaar. Enige ander reëlings oor die betaling van skoolgeld moet skriftelik met die finansiële kantoor getref word. Indien u reëlings tref om maandeliks oor 11 maande u skoolgeld te betaal, neem kennis dat dit aan die begin van die maand betaalbaar is, waarvan die eerste paaiement in Januarie is.

Metodes van betaling

- Debitorder – ten sterkste aanbeveel, 'n vorm word hierby ingesluit.
- Elektroniese inbetaling: Verseker dat u met alle betalings die korrekte verwysingsnommers gebruik. **In geval van 'n elektroniese inbetaling is dit baie belangrik dat u die inbetalingstrokie aan die skool faks (023 347 1129) en duidelik daarop aandui wie die leerder is, en waarvoor die betaling gemaak is.**
- Kontant-/Tjekbetalings by die skool

LW: Behou u kwitansies en bewyse van betaling vir die volle kalenderjaar.

Ouers kan aansoek doen vir vrystelling/gedeeltelike vrystelling van skoolgelde. Die vorms is by die finansiële kantoor beskikbaar en moet voor/op 31 Januarie ingedien word. Neem asseblief kennis dat beide biologiese ouers (al is u geskei) verantwoordelik is vir die betaling van skoolgeld en **beide** biologiese ouers se inkomstebewys word benodig vir berekening van vrystelling.

2.2 Grade seniorship can be obtained by any learner whose conduct is civilised and who is involved in the school's wide variety of sport, cultural and academic activities. Grade seniorship acknowledges positive conduct and is coupled with certain privileges. As parent/guardian you can help your child to plan for this.

2.3 All new grade eight learners could be asked at any time to write short Mathematics, Science, English and Afrikaans tests to identify possible problem areas. This may result in some learners initially having to receive additional attention/help in a bridging class which will equip him/her with more skills and confidence. Please be informed that the school reserves the right to form new class/subject sections (in any grade) to address unbalanced academic progress. Any possible changes will always, according to the educators' view, aim at giving learners the best possible advantages and opportunities. We would appreciate your support in this respect as well. If you are against us helping your child in this manner, a written objection must be handed to the principal. Although you have already accepted the code of conduct in writing, which mentions that you will accept class grouping, the senior staff will consider your objection. Please bear in mind, though, that your child's learning gap may continue to have a negative effect on his/her progress. We wish to offer all learners specific opportunities to achieve their potential.

2.4 Please be informed at an early stage that conduct, work ethics and especially academic achievement and subject choice play a role in class section divisions. Learners must therefore always do their best.

3. FEES TO BE PAID

Methods of payment

- Debit order – strongly recommended, a form is included.
- Electronic payment: Please use the correct reference numbers with all payments. **If you make an electronic payment, it is very important that you fax the deposit slip to the school (023 347 1129). Please indicate clearly who the learner is, and what the payment was made for.**
